

# jsm design & creative services

A good logo and business card design is an essential tool in any small business. Whether you are meeting new clients, networking at a function, or your work comes up in a casual conversation – your card is the anchor to make sure something comes of the discussion.

It's important to think about what your business card says about you – are you “serious” about your business? Does your business card contain a catchy logo and all of your contact information?

At JSM Design & Creative Services, we want to help your small business make the most of your dollars. We can help your business create a “brand” with a top-notch logo then use it to create business cards, letterhead, envelopes, as an email signature, direct mail pieces, signage, print ads, posters, websites – the list goes on and on.

## **Logo/Brand Recognition – 4 designs to choose from, two rounds of revisions - \$75**

Final provided to you in digital form for use for any marketing materials, future materials, t-shirts, etc. \*\*additional revisions at \$30/hour

We charge a small set-up fee for your first order of business cards. If you have multiple cards for your company, save on multiple set-ups.

## **Business Card Layout – custom layout to fit your needs - \$15**

CURRENT SPECIAL - receive a free business card layout plus 200 free standard business card prints with a new logo design, logo designs starting at \$75

Additional Business Card Layouts \$ 5.00 each

\*plus you will receive a digital copy of your business card for use for email or a small ad

JSM Design & Creative Services caters to the small business client by providing in-house printing services. Sometimes you don't need a lot of business cards at startup. That's why we offer small quantity printing. Please ask about our reasonable business card printing prices starting at \$5.00 for 100 single sided cards on a 100 lb. cover stock.
